**The Bob Report**  
Winter 2019

Dear Folks,

It's 12:30 am, I 'm in Winnipeg, its -10, my car still starts, and I cannot sleep.

It's the New Year 2019. Every New Year causes me to reflect on the past year and to look with anticipation to the year ahead.

In 2018 we had some volatility (September thru December was a nail biter), Trump still wants to play with his Lego and China is having some political problems with the rest of the world (Trade and Extradition).

However, I am unbelievably excited because we live in a country most people dream about living in. We enjoy health, fresh air, clean water, free medical care, and funded government retirement pensions. I have an opportunity to make the world a better place by helping folks like you succeed in life.

Caitlin, April and Val are fantastic. My son at 22, lives and works in New York City. I laugh loudly every day and have FUN. I am blessed to have all of you in my life for all these years.

Bob Events

The Bob Watts trio is fully booked at McNally Robinson for 2019. I have discovered vocalists. At McNally Robinson March 2<sup>nd</sup>, 2019 we feature special guest vocalist Helen White, and on April 13<sup>th</sup> we feature Nadia Douglas. Book reservations by phoning the Prairie Ink restaurant.

I am now tired.

Thank you for you continued confidence.

Cheers,

P.S. As you receive your 2018 year-end statements rest assured of a significant recovery. Stay tuned.
